Dear Sir or Madam:

Will you help support your adjoining neighborhood?

The City Meadows Neighborhood Association is a group consisting of approximately 1,387 households located within the boundaries of Layton to the north, 18th Street to the east, Grange to the south and 27th Street to the west. City Meadows is a relatively new neighborhood association that held its first general meeting on January 10th, 2008. We had an amazing turnout of residents in the area along with an appearance by Mayor Barrett, Alderman Witkowski, Milwaukee Police Don Gaglionne of the 6th District and Milwaukee Community Liason Officer Jesus Gloria.

We talked about many of the issues concerning the City Meadows area including safety, crime, traffic, schools, senior citizen assistance and many other notable issues.

As we look towards this Year City Meadows is asking that you consider making a sponsorship or in-kind contribution to the City Meadows Neighborhood Association so that we can continue to move our neighborhood association forward and increase its relevance in our neighborhood. If you are looking to put value back into your adjacent neighborhood you can send a check to the address below made out to "City Meadows Neighborhood Association". If you have questions or comments please feel free to call me at 414-339-8196 or Alderman Witkowski would also welcome any comments at 414-286-2221.

Your contribution or sponsorship will help our association to continue to build our website that will keep all of our neighbors informed, it will also help to alleviate the costs associated with mailing and printing for 1,387 households. As a sponsor of our neighborhood association your business can be listed in our newsletter or we can add a coupon to the meeting agenda sheet for each association get together.

I would like to meet with you personally and talk about your business and how City Meadows Neighborhood Association can benefit you as a business resident of this neighborhood. This is a very exciting opportunity for all of us and I invite you to attend any of the neighborhood association meetings to voice your opinions. These meetings are held quarterly at the Sholes Education Complex. The next meeting will be Thursday April 10, 2008 @ 6:30pm.

Thank you for considering this request and for helping to make the City Meadows Neighborhood a quality place to live, work, and play. I look forward to meeting you in person.

Respectfully,

A.J. Simon
